# WHY

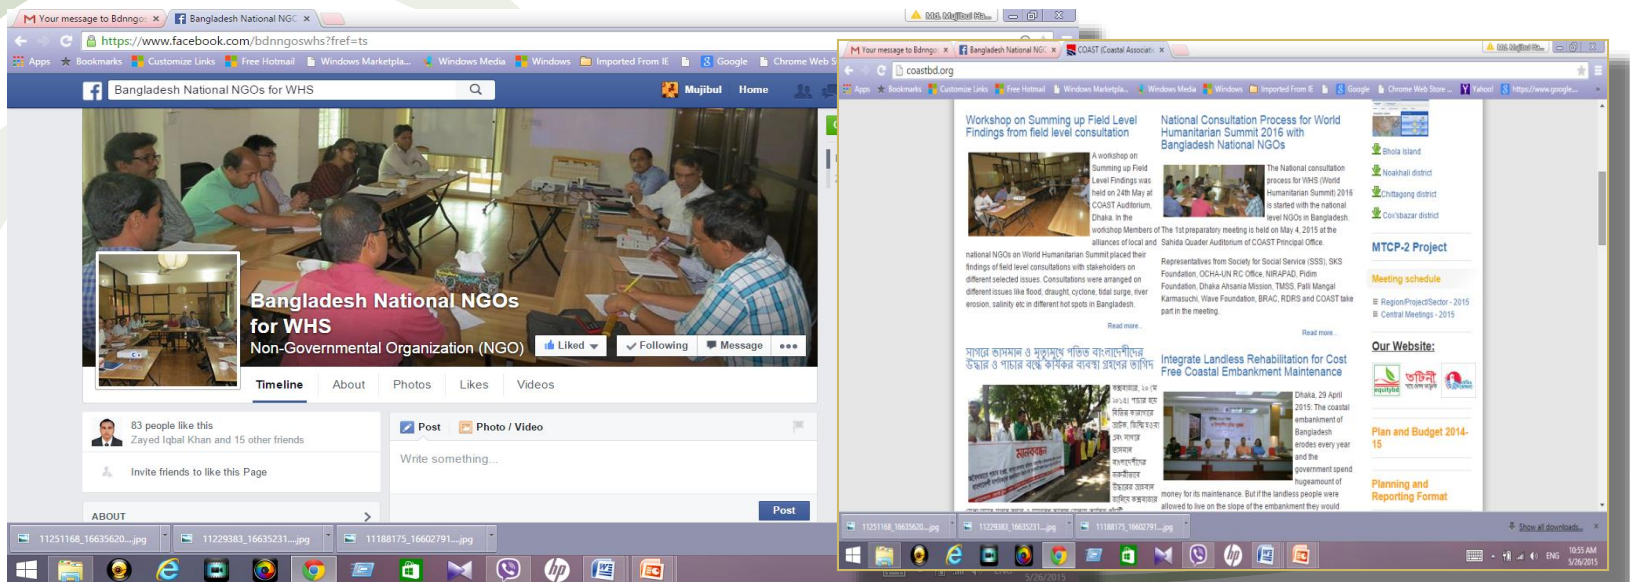

---

- ✓ Change of role perspective of CSOs from aid effectiveness to development effectiveness, Istanbul Principles,
  - ✓ Outcome from WHS and Grand Bargain : Localization and Accountability,
  - ✓ Trinity factor : A balance interplay of STATE, MARKET and CIVIL SOCIETY,
  - ✓ Accountability and inclusiveness is more of SELF INITIATIVES, rather than as capacity and
  - ✓ HUMANITARINSM and DEMOCRACY is the basic essence in genesis of Bangladeshi society
- 

# HOW

- ✓ Bottom up process through core group (who have credibility and potentialities to carry forward)
- ✓ Open, transparent, participatory, with new narrative / knowledge development (websites, group mail, media interaction in region and district level)
- ✓ Development of CHARTER and SIGNATORIES on ice ball rolling basis, declaration in national level, sharing with others, especially with political policy leaders, ICSSOs and government.

# Possible Outcomes

- ✓ Self-initiatives for monitoring among CSOs
- ✓ Proactive initiatives to safe guard HUMANITARINSM and DEMOCRACY in local and national level
- ✓ Negotiation with other stakeholders (especially with ICSOs and governments) for SOVREIGN and SUSTAINABLE growth of CSOs in Bangladesh
