'Parenting Education' session conducts, 730 parents participated

COAST UNICEF Education Program has conducted 'Parenting education' in 7 different camps. 730 Parents including around 438 Mothers participated in the session. Due to Covid-19, only 10 parents can participate in the session. Average 60 percent of mothers participated in Parenting education. We couldn't conduct the parenting education in Camp-11 due to CiC approval.

The main objective of the session was Caregiver led education, the Duty of parents to ensure the safety of education centers and children and Covid-19 awareness.

Rosida Begum said; 'We were passing the problem to teach our children in the home in lockdown. In the parenting education session, we have known how to keep the learning environment at the home to our children.'

Conducts EPRP training to reduce risk

COAST Trust arranged the training on Emergency Preparedness and Response Plan (EPRP) for Stakeholders. 240 Stakeholders, Such as Majhi, LCMC and Imam, participated in the training. The training was held in 8 Rohingya camps.

Increase awareness about hazard and risk, to save LC from hazard and duty of community during and after disaster agendas were discussed in the training.

Trainer emphasized knowing what's on communities' mind. The Rohingya community express their opinion spontaneously at the meeting.
