As a part of humanitarian assistance, COAST Foundation has been implementing the "Education Program" for Rohingya Children with the financial and technical support of UNICEF. The COAST Foundation has 80 Learning Centres in Camp-14. There are 6230 Learners taking basic and informal quality education with entertaining environment.

As the canters have been made ready learners are coming to attend even they are being brought by their caregiver. Ph-POs, Edu Prog.

No excuse about Sexual Exploitation and Abuse

The Coast Foundation conducted training on Protection from Sexual Exploitation and Abuse (PSEA) for Burmese Language Instructor (BLI) and Night Guard cum Cleaner (NGC) at 84 Learning Centers (LC). The training was participated by 17 female, 69 male Burmese teachers and 40 male Night Guard cum Cleaners.

The training, held on October 16 and 17, 2021, began with a pre-test with the aim of predicting the trainees'

previous knowledge and experience of gender; as some issues must be highlighted during the training.

At the end of the training, a brief description of the training objectives and a detailed description of the participants' expectations about the content of the training were recorded to ensure that everyone knew what they wanted to know.

On the final day, there was a post-test which had the same questions as the pre-test but in reverse order, the purpose was to test the improvements made by the trainees after completing the two day training.

Learners are happy for attending to their learning centers

The cadence of children is returning to the Centers after 560 days. Learners are attending to their classes with jolly mode.

"I am happy to return to school -- it was boring at home," said Faisal Khan, a Level-3 learner at Uranus Learning Center.

Refuge Relief and Repartition Commissioner (RRRC) allowed the organization of any kind of orientation and training in small groups at the camp level.

Following the Save the Children guideline, the Coast Foundation has organized distance education training for BLIs to contin-

The training was started by installing ECW LMS Apps from Google Play Store on each participant's mobile. Each of the 25 sessions in the app discusses the main topics, group work and summaries are presented separately. The app has a quiz competition at the end of each session which is very important for recap of each session.

At the end of the training BLI and teachers tried to reach out to each student and install the app on their respective mobiles; Audio clips have been provided to students who do not have a smart mobile phone. In some cases many students had no access to other devices or even mobiles where they formed an listener group and helped learners with their own mobiles.

Workshop on Parenting Education for children's Development

The Coast Foundation organized a parent meeting on September 30, 2021 at Camp 14 with the participation of 1,040 mothers and 560 fathers, maintaining physical distance in 80 learning centers. The meeting discussed a

The reopening of the learning centers at the meeting highlighted how children can be encouraged to come to the learning center, the impact of parental change on the child's behavior, and the COVID Protocol.

Senwara Begum, a guardian said COAST always emphasizes the practice of using positive parental language and

discipline that encourages child rearing and enhances parental knowledge about communication skills.

Community Dialogue : some opinion and recommendation

Community Dialogues were held at a total of 80 Rohingya Children's Learning Centers at Camp-14 to implement effective education system and raise awareness among the Rohingya community. A total of 1600 people including Majhi, Imams, community leaders, volunteers and guardians of the Rohingya community (912 M and 688 F) were present. The meeting was conducted by dividing the attendance of each learning center into two groups following all the rules of COVID-19 protocol.

All opinions & recommendations of the community were noted down. Ph- Arefa, Tigris LC; Camp-14.

Mohammad Bashir Ahmed, a Majhi at Block E-1, said the Covid-19 protocol rules were followed at the COAST Foundation's learning center. This is a very good initiative and it will definitely ensure the protection of children from COVID. Expressing hope that the teachers would pay attention to the children as before said Mohammad Bashir Ahmed, a Majhi at Block E-1 and wished if the LC would arrange six days in a week.

Nur Mohammad, a guardian said that even though the Learning Center was closed due to COVID-19, the COAST Foundation teachers continued to house visit and implemented radio programs and caregiver lead education to guide our children's education. This initiative should be continued till the situation returns to normal.
