Monthly mentor coordination meetings

On December 11, 2022, a monthly coordination meeting and information meeting was held at the office of Badarpur Coast Foundation in the presence of mentors and general members of 18 youth and Adolescent clubs of 9 wards of Badarpur Union of Lalmohan Upazila. The meeting was presided over by Mr. Md. Azad, UP Member of Ward No. 3 of Badarpur Union. The president said in his discussion that today's Kishor-Kishori are the citizens of tomorrow's country. If good thinking and good values can be developed in them then a good society can be formed and if every society is good then a good country will be formed. Since one boy and one girl club have been formed in each ward of this union, I think that it will be possible

to form a union free from lptizing, child

marriage and various social disorders with the collective efforts of the boys and girls of these eighteen clubs. I would say to the Adolescents present today that you do not involve yourself in any wrongdoing and do not allow any other Adolescent to be involved in wrongdoing on your baggage. You are the only ones who can bring back your fellow housemates from any wrongdoing. If they get involved in any bad deeds, they will try to make him a good person without arguing with him. Affiliation with any

party. But remember that your main task is to study. If you need me to help you in any way, please let me know and I will try to do so. Mentor Riday of 3rd Ward Kishore Club, 9th Ward Kishore Club Mentor Mahima Begum and 08 Ward Mentor Md. Naim also spoke in the discussion.

They said that through this club we will work to stop the evils that are happening in our society with the participation of all members, such as child marriage, evictions, being affected by various drugs. I will also take care that our education is not harmed. If there is any kind of problem in education, this club will have a bad name, we will not let it happen.

The club has changed our lives

Jonaki Rani, Mentor of Ward No. 4, Ramagonj, said, "We have learned about cleanliness during our Menstruation period, but we could not afford to buy sanitary napkins, which we need." In the family

father or brother could not be shamed and could not buy from any shop. When we went to the store, people used to look at what we bought. He would laugh even if he bought it again. But we come to this club and buy it at a low price I could stay clean. 100% of Adolescent
