## A wonderful due of brother-sister

Ridima Debnath and Rishik Debnath are siblings. They were seen in a wonderful brother-sister duo in Duranto Program which is Radio Saikats' special program for children. They said that they have been practicing music since Nursery. Ridima's mesmerizing vocal along with Risik Debnath's tabla beats created a great musical atmosphere. They said that it was possible to study along with music due to proper guidance of parents and proper management of time.

This program was posted on Facebook. That post reached to 3.8 thousand people. 722 people liked, 63 commented and 28 shared. The common people enjoyed the Duranto program immensely. Children have hidden talents. The elders should help them to develop their talents. Because, with the right care and encouragement at the appropriate time, children's latent talents will be bloomed and their future will be delighted.

## Achievement

Rounak Ara, Entrepreneur.

In Radio Saikat, there is a special program for the Entrepreneurs named Prerona. She said , currently I work with traditional food of Chittagong. But in the beginning my husband brought a palm at home , I made some palm pitha with it and posted it on my page. I started my entrepreneurial journey without any capital. On the first day, I received an order 700 taka palm pitha on my page. After that, there was no need for me to look back. Her story was posted on our Radio Saikat Facebook page. This post has been viewed about 5308 people and 120 people likes, 30 comments and 10 shares. It doesn't take much grandeur to get ahead. You can also become self-reliant by creating opportunities through will power.

# Moving Forward

Radio Saikat currently has 30 listeners clubs. Until the last month all of our listener clubs were in Cox's Bazar sadar. In March, two listeners clubs were formed at Ramu Kolghar and Kharulia Ghatpara with an aim to spread the activities of Radio Saikat to all its' coverage areas. The women of listeners club told us that there is high incidence of child marriage in their area and also most of the people have low income so day by day becoming difficult to survive. We encourage the homemakers to be self-reliant by doing something so they can support their family. Radio Saikat is moving forward with the goal of improving the quality of marginal people life by making listeners club to all areas of Cox's Bazar.

## Well-Wishing For Radio Saikat

Advocate Pratibha Das

During women's day, advocate Pratibha Das was invited as a guest. She said that all women workers at Radio Saikat are working independently. This inspire the women of our community and I am also inspired. she wishes Radio Saikats' success in achieving their goals.

Poet Shamima Akter said, " some rising young ladies have already made Radio Saikat very popular. She applauded the authorities of Radio Saikat for empowering women.

## Listner's Feedback

\*The members of the Khorushkul Pecherghona listeners club told us that many of them cultivate chilies, tomatoes and various types of vegetables. They also said that the leaves of their chilies, pepper pants are infected with insects. They asked us to let them inform if there is any way to solve it. We have told them that we will produce a program so they can resolve their problem soon.

Khorushkul pecherghona , Listeners club.

\*Talking to the members of Samitipara Homemakers club, they listen to our Radio Saikats' programs in their free time. They said that , they like our basic program Perona very much. Listening to Perona program and they are trying to became self-reliant.
